- Annual March membership meeting
- Election: VP, Treasurer
- Curb address painting
- Directory
- Transportation vacancy
- Bridle Wood crosswalk
- Huntsman median landscaping
- Contests/Events
- Annual meeting Herrity appearance offer

The Actions Calendar was reviewed for actions completed and ones still to be accomplished.

It appears that the budget for membership vote at the March meeting will be balanced, depending on the cost of directory printing to be revealed soon.

The primary agenda for the March general membership meeting are votes for VP and treasurer and the budget.

The directory draft is almost ready for board review. Whether some graphics get printed in color or not depends on the added cost.

Ann Hodges is stepping down from her role in Transportation. There was a discussion about whether to appoint someone new to this position or to assign these duties to the board.

Membership position is open with withdraw of Les and Jody Terry

The Bridle Wood crosswalk received recent FaceBook attention from an OHECA member who contacted Herrity's office. This resident unfortunately was unaware of the attention given to this by OHECA and the Supervisor in the past. She was informed by both a Herrity staffer and OHECA president Gary of those efforts.

Board agreed to move an additional \$12,000 from savings to CD to earn additional income.

Cost for curb painting will come out of reserves.

Gary Jensen will coordinate shred event for cost of \$500.

Discussion about having a speaker from the Burke Historical Society at the March membership meeting vs having Herrity as speaker. Decided on historical speaker. Discussed having refreshments.

Gary to follow up with Del Cohen's staff or VDOT regarding repairs to the median on Huntsman.

Gary and Michelle will meet on Sunday to discuss changes in the contests/events.
